**A PREMIER POST-ACUTE
CARE FACILITY**

ABOUT US

Located in the heart of Houston, Mission Care Center is your post-acute solution for:

- Cardiac Care and Rehabilitation
- Pulmonary Care
- Wound Healing
- IV Therapy
- Other Medically Complex Conditions

We offer newly renovated semi-private rooms, so you can recover in comfort and privacy related to conditions such as:

- CHF
- Coronary Artery Disease
- COPD
- Post-Surgical Care
- Stroke
- Hypertension
- Hip/Knee Replacement

AIRVO HIGH FLOW WITH OPTIFLOW THERAPY

At Mission Care, we utilize respiratory clinical pathways as developed by our interdisciplinary team consisting of physicians, respiratory therapist, nurses, dietician and rehabilitation therapist.

For our spontaneously breathing patients, we offer nasal high flow respiratory support:

- Airway Hydration
- Supplemental Oxygen
- Patient Comfort

Additionally, our respiratory therapy services and pulmonary complex program offers a full spectrum of education and treatments designed to help patients maintain and recover lung function after an illness, injury or surgery.

PAYMENT OPTIONS

We work closely with families to research all payment options. Talk to us about your coverage.
